RE:	May 2008 USPS® Rate Change Instructions – jetmail™		

The Enclosed Rate Card is for Updating the USPS® Shipping Rates on your jetmail™ Integrated or Dynamic Postage Scale

Please follow these simple instructions for updating the USPS® Rates on your FP jetmail™:

FP jetmail™ Rate Card

1. Switch the jetmail™ Digital Mailing System ON
2. Press the "SETUP" button
3. Select "RELOAD"
4. Select "IMPORT RATES"
5. Select "DATA CARD"
6. Please remove the MASTER card
7. Insert the rate card (small chip must be facing forward)
8. Select "CONTINUE" ("please wait" is shown)
9. Select "IMPORT" (the rate tables begin to download while a percentage complete bar is shown)
10. Upon download completion, the message "Loading Successfully Completed" is shown
11. Select "CONTINUE"
12. The jetmail™ Digital Mailing System will automatically restart
13. You are now ready to use the new rates

REMINDER: DO NOT INSTALL THE NEW RATE CHIP UNTIL MAY 12TH, 2008!

If you have any questions, please contact your local FP Authorized Dealer or visit FP's website: www.fp-usa.com
