RE:	May 2008 USPS® Rate Change Instructions – optimail™ 30		

The Enclosed Rate Card is for Updating the USPS® Shipping Rates on your **optimail™** 30 Integrated Postage Scale

Please follow these simple instructions for updating the USPS® Rates on your FP **optimail™** 30:

FP **optimail™** 30 Rate Card

1. Switch the **optimail™** 30 meter ON
2. Press the "**MENU**" button
3. Scroll to "**Load from chip card**" and select the corresponding softkey
4. Follow screen prompts
 - "Please remove current card"
 - "Please insert the card with the data to be loaded"
 - "Do you want to load the Rate table - Select "**YES**"
5. The message "Data being loaded, Please wait" is shown
6. Upon completion, the message "The new rate table has been activated" is shown
7. Press the "**ENTER**" button to continue
8. Press the "**BACK**" button
9. You are now ready to use the new rates

REMINDER: DO NOT INSTALL THE NEW RATE CHIP UNTIL MAY 12TH, 2008!

If you have any questions, please contact your local FP Authorized Dealer or visit FP's website: www.fp-usa.com
